As at 1/9/2014
Keithcot King’s Out of School Hours Care (OHSC) is an excellent program run by the Keithcot Farm Governing Council, offering care for your primary school aged children before and after school, and during school holidays. We offer care to children attending King’s Baptist Grammar School and Keithcot Farm Primary School.

The service provides children with a safe, stimulating and fun environment in order for them to explore, create, experiment and express themselves as they choose, in their leisure time.

Our range of leisure activities include: cooking, crafts, group games, sports activities, free play, TV, activity clubs, imaginative play, books to read, Xbox and Electronic Tablets - just to name a few. These activities are compiled by staff observations, child suggestion and parental input and are written up on a program on the door for all to see. We have excellent facilities including a purpose built OSHC room, a homework area, outdoor equipment, a large indoor gym with staff who are enthusiastic, encouraging and caring, all in close proximity to the two schools.

We take quality childcare seriously. Staff and Management continually endeavour to improve, explore options, implement new plans and ideas, and develop strategies for further improvement. Policies and Procedures are available for parents to peruse at all times by the sign in/out desk.

Keithcot King’s OSHC is an approved provider with the Education and Early Childhood Registration and Standards Board of South Australia.

Staff
All staff working at Keithcot King’s OSHC are required to have a positive and outgoing attitude. Most of the staff are studying to become teachers and working in OSHC provides them with valuable experience. We take pride in our ability to build relationships with the children in care and to enhance their time through supportive verbal and non-verbal communication.

Staff Requirements
All staff are required to have completed their Responding to Abuse and Neglect Training as well as having a current DCSI Police Check. In addition qualified staff have completed Senior First Aid training. A list of our team members can be found within the OHSC centre.

Staff Grievances
Any issues with staff should be directed to the director or to the OSHC Committee via the Keithcot Farm front office.

OSHC Committee
All parents using the service are encouraged to join the OSHC committee which sits twice a term to discuss improvements of the OSHC service and make recommendations to Governing Council.

Breakfast and Afternoon Tea
Breakfast is served every morning until 8:00am with a range of nutritious cereals, toast and breakfast drinks. Once a week we offer a hot breakfast prepared by our chef. Afternoon Tea has a variety of snacks prepared by our chef ranging from fruit and yoghurt to Butter Chicken. Please notify staff of special dietary needs for your child.

Custody/Child Safety
Please notify staff to any important custody issues so that we can support you in keeping your family safe.

Behaviour management
The purpose of behavior management at OSHC is to create a safe environment for all of the children at the service. It promotes the rights of everyone and enhances the smooth running of the service. It is ultimately designed to encourage self management of students. To do this we:
• Reinforce positive behaviours
• Have clear and consistent expectations
• Have rules and consequences that are clearly known by all persons attending the service.
• Have continual review of behaviour management with parents to create consistency for the child.

We expect that children attending the service will:
• Play cooperatively together.
• Be sharing and friendly.
• Respect each other and look after one another.
• Be respectful to staff and follow reasonable instructions.
• Respect the equipment and facilities at the service.

Injuries/accidents
At Keithcot King’s OSHC we encourage children to be active and have fun in safe ways. If there is an accident or injury, parents may be contacted (depending on the severity) and asked to collect their children and will be asked to sign an accident report form upon pick up of their child.

Sun Protection
Children must have hats in terms 1 and 4 including the April and October holiday programs. This can either be a school hat or one from home. Children will also need to apply sunscreen in the summer months if over 30°C. We are not allowed to play outside if the temperature is greater than 36 °C.
