King’s Baptist Grammar School

POLICY FOR THE USE OF STUDENT VEHICLES

Dear Parents

Some students in Year 11 and 12 will be in a position to drive a vehicle to school and want to park it within the school grounds. The School’s position is that we don’t particularly encourage students to drive to school, given the existing congestion in local streets and safety concerns for the immediate environment around King's. However, we are pleased to be able to provide limited parking facilities. Our over-riding concern is for the safety of all students, drivers, passengers and pedestrians.

Outlined below is our school policy for the use of student vehicles:

1. Before driving to school students must first provide written consent from a parent to the Director, Senior School.

2. Having gained the approval of the Director, Senior School, the student may drive and park within the school grounds under the following conditions:
   - No student may drive away from the school during the day’s programme, except with the expressed approval of the Director, Senior School or Year Level Co-ordinator. (This includes lesson break, recess and lunchtime).
   - Students’ vehicles must be parked in the prescribed area nominated by the Principal and the Director, Senior School. The prescribed area is the eastern end of the top car park (nearest to Golden Grove Baptist Church and furthest away from Friendship House).
   - Students must abide by the speed limit of 10 kph and at all times drive in a manner that ensures the safety of other people within the area.
   - A current King’s Parking Permit must be displayed on the front passenger dashboard.

3. Dangerous or careless driving by students will result in those students being denied the right to park in the school grounds.

4. In the interests of safety, the Principal reserves the right to cancel permission for students to drive or park in the school grounds.

Mr L Nicholas
Director, Senior School
6th February 2006.
King’s Baptist Grammar School

APPLICATION FOR PRINCIPAL’S APPROVAL TO PARK AND DRIVE A STUDENT MOTOR VEHICLE ON SCHOOL GROUNDS

Student’s name: .............................................................................................. Home Group: .............

Parent’s name: .................................................................................................

Address: ...........................................................................................................
..........................................................................................................................

I request approval for my son/daughter to drive and park the following vehicle within the King’s Baptist Grammar School grounds.

Make and model of vehicle: ..............................................................................
